FOUNDER'S VISION

Mr. Shashi Bhat

Founder - Director

Ms. Ummeaiman Ansari

Co-founder

As the founder of Gryphon, I am passionate about addressing the pressing need for a platform that bridges the gap between the education sector and the industry, specifically in the core areas of engineering and management, with a special focus on finance. At Gryphon Academy, we believe in the power of collaboration, and we work closely with colleges to create a strong synergy between academia and industry. I am determined to provide a transformative educational experience to students, one that goes beyond traditional classroom learning and encompasses real-world exposure, mentorship, and networking opportunities. I strive to give the youth a platform that previous generations may not have had, and I am committed to making each and every student employable and ready to thrive in today's competitive job market.

My zeal for Gryphon Academy runs deeper than just its goals and objectives. It's about our purpose. We don't just give people jobs; we equip them with rock-solid skills so they never get stuck on the career ladder, wondering "Can I even do this? Can I learn?" It's about building confidence and a can-do attitude, alongside giving them the exact skills they need to thrive in their chosen field, which only happens with continuous learning process that gets people excited about being lifelong learners. After all, I believe everyone, myself included, should always be learning. Speaking of passion, mine lies in business growth and development. So, it fills me with joy to see the incredible talent pool nurtured by our dedicated trainers, and the amazing career opportunities provided by our fantastic corporate partners. Even though I'm in a leadership role now, my roots as a trainer never die. It keeps me grounded and lets me see the positive impact we're truly making.

WHY GRYPHON?

- ✓ 14+ years of Industry Experience in addressing skill gaps for academic Institutes and Universities
- ✓ Customized Training Programmes to get into higher placement conversions
- ✓ Data-driven and result-oriented approach
- ✓ Nationwide services in Trainings, Placements, Digital Marketing, Corporate Skills Development

WHAT WE OFFER

-  Industry - Readiness Programmes for Students in Domains : Engineering, MBA, MCA & Pharmacy
-  Training Need Analysis
-  Job Opportunities for Final Year Students
-  Association with more than 300+ Corporate Partners & 55+ Colleges
-  Industry Guest Lectures
-  Brand Positioning for Colleges and Corporates

AWARDS AND RECOGNITIONS

- ★ Awarded by Ministry of Skills Development (Govt. of India)
For Bridging the Gap Between Industry & Academia
- ★ Awarded as The Start Up of the Year at World HRD Congress, 2023

Our training programmes are tailored to meet the specific requirements of our students and clients, enabling students to acquire a diverse range of skill sets that enhance their employability and facilitate their successful entry into core Industry placements.

Our customized training approach assists students in cracking interviews and launching their careers.

IN CORE DOMAIN

Engineering

MBA

MCA

MSC/IT

Diploma

- Customized training programmes designed to meet Industry Specific requirements.
- Collaborations with top employers to ensure job readiness and placements.
- Experienced trainers with relevant industry expertise.
- In-Classroom Training
- Comprehensive course materials and hands-on training.
- Certification and post-training support.
- Strong partnerships with educational institutions to provide industry-relevant training.
- Positive student feedback and success stories.
- Continuous improvement and upgradation of training programmes to keep up with industry trends and advancements.

TRAINING TOPICS

ENGINEERING

Mechanical

- Introduction to Mechanical Engineering Drawing
- Reading of Engineering Drawing
- Components Comes in Drawing While Reading
- Empirical Dimensions and Its Uses
- Introduction of Auto Cad
- Variable Radius Curve and Its Practice with AutoCAD
- Block & Attributes
- Orthographic Projections

Civil

- Getting Started with Revit Architecture
- Editing Tools
- Grouping Element
- Datum's and Standard Views
- Basic Building Components
- Adding Site Features Creating Families
- Adding Annotations and Dimensions
- Creating Drawing Sheets and Plotting advanced sheet

Electronics and Telecommunication/ Electronics

- Automation
- PLC
- SCADA
- Field Instruments & Process Automation
- Electric Vehicles
- Vehicle Fundamentals
- Designing and Drafting
- Mechanical subsystems of an EV
- EV Motors and Speed Control Methods

Computer/IT Engineering

- Java Fundamentals
- Object-Oriented Programming (OOP) Concepts
- Inheritance and Polymorphism
- Introduction to Collections Framework
- Full Stack Web Development with JavaScript
- JavaScript Fundamentals
- Data Types and Variables
- Introduction to Web Development with Flask

Artificial Intelligence and Machine Learning

- Data Science with Python
- Introduction to Data Science
- Python Basics
- Importing Data
- Manipulating Data
- Statistics Basics
- Error Metrics
- Machine Learning
- Supervised Learning

TRAINING

MBA

Finance & Accounting

- Financial statement analysis
- Corporate finance
- Investment management
- Risk analysis and management
- Budgeting and forecasting
- Managerial accounting
- Financial modeling
- Mergers and acquisitions
- International finance
- Financial regulations and compliance

Human Resource Management

- Talent acquisition and retention
- Performance management systems
- Employee engagement strategies
- Compensation and benefits planning
- Training and development programs
- Organizational behavior
- HR analytics and metrics
- Labor laws and regulations
- Diversity and inclusion in the workplace
- Change management

Marketing

- Digital marketing strategies
- Brand management
- Consumer behavior analysis
- Market research techniques
- Integrated marketing communications
- Product development and lifecycle management
- Pricing strategies
- Sales management
- Customer relationship management (CRM)
- Global marketing

Operations and Business Analytics

- Lean Six Sigma : Green Belt awareness
- Tableau
- Power BI
- Google Suite and Looker Studio
- Project Management
- Data Mining and Analytics
- Risk Management
- Data Visualization
- Vendor Management
- Supply Chain Management

TRAINING

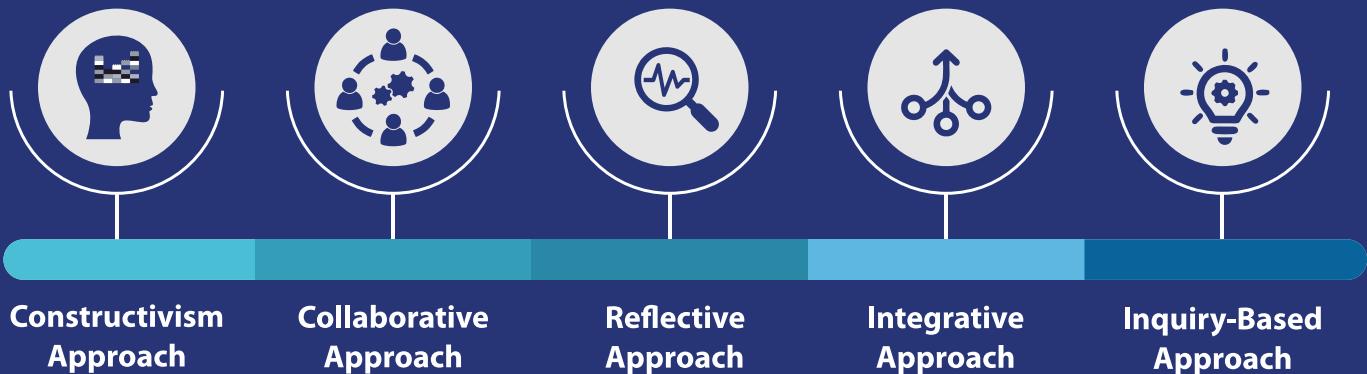

INTERPERSONAL SKILLS

- Effective Communication Skills
- Building Confidence And Attitude
- Effective Body Language
- Personality Development
- Corporate Etiquette & Mannerism
- Interview Skills And GD-PI Techniques
- Team Building
- Leadership Skills
- Conflict Management
- Critical Thinking
- Emotional Intelligence

APTITUDE

- Time, Speed & Distance
- Percentage & Average
- Profit & Loss
- Mixtures and Allegation
- Time and Work
- Blood Relations
- Distance and Directions
- Logical Reasoning
- Decision Making
- Data Interpretations
- Quantitative Aptitude

COLLEGE TESTIMONIALS

“

Gryphon holds a special place for me. Over the years, Gryphon has experienced significant growth, and it's been a remarkable journey filled with valuable lessons. I wish them continued success in all their future endeavors.

Dr. Tarita Shankar
Founder, Secretary & Chief Managing Trustee Shree Chanakya Education Society. Chairperson - Indira Group of Institutes, Pune

”

Dr. J. J. Magdum College Of Engineering Jaysingpur, Kolhapur, has partnered with Gryphon Academy for over three years now. Together, we are dedicated to providing comprehensive services to students across all domains. Gryphon's proven track record in delivering outstanding results for various institutions has impressed us.

Dr. S. S. Admuthe
Campus Director - Dr. J. J. Magdum College of Engineering Jaysingpur, Kolhapur

”

Gryphon Academy's training kindles potential. Our students' achievements in the competitive world validate Gryphon's commitment to excellence. The expertise of their experienced trainers from various fields is second to none.

Dr. Kuldip S Charak
Director - Dr. D. Y. Patil Institute of Management Studies (DYPIMS), Pune

”

Gryphon Academy has achieved remarkable success in securing placements for our students in prestigious companies such as Tata Technology, KPIT, and Tata Motors, along with Plank and Weave for our students in the real estate sector. Gryphon's tailored training and placement services have opened up diverse opportunities for our students.

Ms. Dhanwantari Wangde
CEO - Dnyanshree Institute of Engineering & Technology, Satara

”

ICEM is associated with Gryphon Academy for the past three years, benefiting from over 3000 hours of training annually for students. Gryphon Academy has extended invaluable industry support, particularly for our students seeking core engineering job placements.

Ms. Meenakshi Madgunaki
Head L&D - Indira College of Engineering & Management (ICEM), Pune

”

Thanks to Gryphon's industry-focused training and the expertise of their trainers, our students have embarked on an incredible journey from classrooms to successful careers.

Dr. S. P. Borde
Dean - JSPM's Rajarshi Shahu College of Engineering, Pune

”

Gryphon Academy's personalized training and placements are exceptional. They prepare students for the industry while shaping their futures with a dedicated commitment to excellence. With more than 2000+ students trained, Gryphon Academy continues to make a significant impact in the realm of education.

Mr. Amit Kolhe
Managing Trustee - Sanjivani College of Engineering, Kopargaon

”

In academia and the corporate world, Gryphon Academy stands as a leader driven by vision and dedication. Gryphon Academy's training and placements are outstanding, lighting the path towards a brighter future for students.

Dr. Thomas George
Director - Lead College of Management, Palakkad, Kerala

”

Gryphon's training isn't just a curriculum; it's a compass guiding students toward a prosperous future. Their commitment to excellence aligns with our vision of nurturing future leaders. A huge thanks to Gryphon Academy for their exclusive trainings and placements.

Dr. A. Padmaja
Dean - Vidyajyothi Institute of Technology, (VJIT) Hyderabad

STUDENT TESTIMONIALS

P&W

My experience with Gryphon Academy was incredible. I got placed in Force Motors and I would love to thank Gryphon Academy for being such an amazing partner for my placement opportunity.

Mr. Rahul Agal
Mechanical Engineering

Gryphon has provided with best training. The teachers were super helping and punctual. They have given us lessons for life. I would extend a special thanks to the trainers who motivated us at every step.

Mr. Sonu Kambhire
Mechanical Engineering

Gryphon Academy provided me with best opportunities. Their trainings and teachers were very helpful for us in building our profession.

Mr. Shubham Borse
Electrical Engineering

Gryphon Academy is a great resource for students to learn and explore various topics related to the placement drives. This training programme will help students to develop their skills required during placement drives.

Mr. Vishal Tambe
Electrical Engineering

The trainings on aptitude and soft skills proved to be highly beneficial, equipping us with valuable knowledge across various subjects and preparing us for the industry demands.

Mr. Kishor Turkane
Civil Engineering

It was a great experience with Gryphon Academy. The informative and simplified teaching style of trainers made our placement journey smooth. Grateful to Gryphon Academy for providing the opportunity to learn and acquire industry skillset.

Mr. Rahul Hiwale
Mechanical Engineering

Gryphon Academy is where dreams come true. The diverse range of training programmes gave me the confidence to enter the professional world. The trainers' practical wisdom and real-world experience were instrumental in my success.

Mr. Shubham Bagul
Mechanical Engineering

Gryphon Academy has been a game-changer for me. Their specialized training in aptitude, soft skills, and technical areas transformed me into an industry-ready professional. Thanks to them, I secured a spot at one of the top companies, and I couldn't be more grateful.

Mr. Adesh Hindhe
Civil Engineering

Gryphon Academy has changed me for the better. Their encompassing aptitude, soft skills and technical prowess, prepared me for industry challenges.

Mr. Niket Gawali
Civil Engineering

BORN.

Gryphon Academy doesn't just teach; they empower. I owe my career to their exceptional training and the fantastic placement options they offer.

Mr. Chinmay Gosavi
Finance & Minor - Marketing

The training I received at Gryphon Academy was nothing short of transformative. They truly understand what it takes to excel in today's job market, providing us with placement opportunities in some of the top companies.

Mr. Hrushikesh Kambale
MBA (Finance)

Gryphon Academy exceeded all my expectations. Their training prepared me not just for a job but for a thriving career. Improving our skillsets and providing us best placement opportunities.

Ms. Vishakha Nirke
MBA (Finance)

CROSS BRAND POSITIONING

At Gryphon Academy, we specialize in innovative digital marketing strategies tailored for colleges and educational institutions. Our expertise goes beyond conventional marketing, as we craft unique experiences that elevate your institution's brand and create lasting impact.

Why Choose Gryphon Academy for Your Digital Marketing Needs?

Specialized Focus

We understand the unique challenges and opportunities in the education sector.

Comprehensive Approach

From social media management to event promotion, we cover all digital touchpoints.

Data-Driven Strategies

Our campaigns are backed by analytics, ensuring measurable results.

Creative Excellence

We blend creativity with technology to make your institution stand out.

Targeted Audience Segmentation

Leveraging data analytics for personalized messaging and higher engagement across campaigns.

Seamless Integration

Our digital efforts complement your offline marketing for maximum impact.

CROSS BRAND POSITIONING

1. Indira Diversity Awards (IDA) 2023

- Celebrated individuals from diverse backgrounds, including differently-abled achievers
- Highlighted societal contributions, inspiring a culture of inclusivity
- Digital campaign focused on personal stories, reaching a wide audience and sparking conversations

2. Indira Women Achiever Awards (IWAA) 2024

- Honored women trailblazers from various fields
- Digital strategy amplified women's success stories, inspiring the next generation
- Created a viral social media movement celebrating women's achievements

3. Gryphon Academy Masterclass (Annual Event)

- Bridges the gap between industry, academia, and trainers
- Digital campaign focuses on thought leadership content
- Interactive offline elements expand reach beyond physical attendees

By choosing Gryphon Academy, you're not just getting a digital marketing service; you're partnering with a team that understands the essence of education and knows how to translate it into the digital realm. We don't just meet benchmarks – we set new standards in educational digital marketing.

FACULTY DEVELOPMENT PROGRAMME

We specialize in empowering college professors, and faculty members to excel in their roles and drive academic success. Our tailored approach ensures that your institution's unique needs are met through a comprehensive training program designed to elevate teaching standards and foster professional growth.

WHAT SETS GRYPHON ACADEMY'S FDP APART?

Tailored Training

We begin with a comprehensive pre-assessment test to understand your institution's specific requirements. This allows us to customize the training program to address your faculty's areas of improvement effectively.

Proven Methodology

Our FDP is built on a proven methodology that combines theoretical knowledge with practical applications. Our hands-on approach ensures that faculty not only understand concepts but also gain the skills needed to implement them effectively in their teaching practices.

Expert Instructors

Our team comprises the industry's best subject matter experts, with a wealth of experience exceeding 10+ years bringing real-world insights and strategies to the training sessions.

Continuous Support

Our commitment to your institution doesn't end with the training sessions. We provide ongoing support and resources to ensure that the knowledge and skills gained during the program are sustained and applied for long-term success.

Our FDP Modules Include

- Pedagogy Enhancement
- Curriculum Development
- Technology Integration in Teaching
- Assessment and Evaluation Strategies
- Research and Publication Guidance
- Leadership and Management Skills for Educators
- Changing Dynamism of Indian Higher Education
- Outcome-Based Education Policy and Perspectives
- Challenges in higher Education
- Psychosocial well-being analysis
- Process & Institutional Protocol
- Ensuring the Psychological Well-being of Learners
- Creative Thinking in the age of AI
- Mindset of Effective Educators
- Institutional Responsibility
- Relevance of Life Skills
- Decision-Making Skills
- Advanced Leadership Skills
- Advanced Presentation Skills
- Communication Skills
- Communication System Design Workshop
- Creative Thinking
- Decision-making Skills
- Digital Literacy Program
- Emotional Intelligence
- Experiential Engineering Workshop
- Faculty Development Program On Labview
- Goal Setting
- Graphical System Design In Engineering Education
- Introduction To People Empowering People
- Leadership Skills - Beginners
- Personality Development
- Problem-solving Skills
- Stress Management
